How to use this catalogue

Pick a stone, note its name and code, and send it to us.

1. Find a stone you like in the DMK Stone, TCE Stone or Vicostone section.
2. Note its name and code — for example “Calacatta Lux — TCE2045”.
3. Send us the name and code for a free consultation and quote.

Colours on screen can look different from the real slab. Ask us for a sample, or visit the showroom by appointment before you decide.

All stones are quartz, supplied and installed by MYRO Countertops for kitchens and bathrooms in Whistler.
